# Outline Proposals

Snibston Country Park offers an opportunity to provide an important heritage and recreation destination for Coalville. It has the ingredients to be a popular and exciting National Forest destination – a place to remember and return to.

The proposal provides:

- A new heritage area, interpreting the rich history of Snibston

The proposals will be partly funded by the creation of a new residential community.

- 2 Re-open the Snibston Colliery entrance and provide one way access from Ashby Road.
- 3 A new footpath cycleway connection along the former railway to the town centre including a new controlled crossing facility at Belvoir Road.
