TEP is an award-winning environmental consultancy providing landscape, ecology, environmental planning and arboricultural services to our clients in the private, public and third sectors. We were established in 1997 to provide independent high-quality designs and advice with a strong emphasis on personal service. We have grown steadily by sticking to our core skills and by helping our clients achieve sustainable development.

AGENDA

- Welcome & Introductions
- Overview of TEP's Landscape Services
- **Guest Speaker from the Landscape Institute**
- Projects and Case Studies
 - **'A day in the life of a Landscape Manager'**
 - Green Infrastructure, Ecosystem Services & Natural Capital Assessments
 - Landscape and Habitat Management Plans
 - Managing Sites and Contracts
- Discussion & Questions

An excellent opportunity to meet TEP's Landscape Managers, Designers and Planners to discuss your future career aspirations and job opportunities within the landscape profession.

During the day there will be a variety of presentations on the different aspects of work we undertake, and the opportunity to discuss these with us in a friendly and informal atmosphere.

Within the team we have several Chartered Members of the Landscape Institute, and we would like to take this opportunity to promote the profession. If you have any questions about the LI or the Pathway to Chartership our Open Day will provide the chance for discussion with us.
